

Residency Conference of the Rockies Evaluation Form

Abstract number:

Evaluator:

- Resident
- Fellow
- Preceptor
- RPD
- Other:_____

Content of Project/ Research Feedback

1*= unacceptable, 2*= needs improvement, 3= meets expectations, 4= exceeds expectations, 5= exceptional
*anything 2 or below REQUIRES comment

Evaluate based on:

Background and reasons for research / project: <ul style="list-style-type: none"> • Relevant and adequate background • Clearly stated study objective(s). 	1* 2* 3 4 5
--	--------------------

Comments:

Methods of the research project: <ul style="list-style-type: none"> • Methodology and study design appropriate to answer research question • Statistics appropriate for the study design 	1* 2* 3 4 5
---	--------------------

Comments:

Results of the research project: <ul style="list-style-type: none"> • Results are presented appropriately, accurate for type of statistic • Relevant to pharmacy practice. 	1* 2* 3 4 5
---	--------------------

Comments:

Discussion and Conclusion of the research project: <ul style="list-style-type: none"> • Discussion and conclusion match the results presented, are relevant to material presented • Applicability of this research to pharmacy practice 	1* 2* 3 4 5
--	--------------------

Comments:

Resident involvement in research project: <ul style="list-style-type: none"> • Presentation that the resident is knowledgeable about the project content • Evident the resident had a high level of involvement and interest in the project 	1* 2* 3 4 5
--	--------------------

Comments

Please provide any additional feedback or comments that may help the presenter with future research:

Overall Presentation Feedback

1*= unacceptable, 2*= needs improvement, 3= meets expectations, 4= exceeds expectations, 5= exceptional
*anything 2 or below REQUIRES comment

Evaluate based on:

Presenter's overall presentation skills:

- Eye contact, pace and volume where appropriate, clear speech, free of distracting mannerisms or repetitive fillers

1* 2* 3 4 5

Comments:

Project presentation was organized and flowed well:

- Orderly presentation: Background, objectives, study methods, study results, discussion and conclusions. Transitions were smooth.

1* 2* 3 4 5

Comments:

Presentation slides augmented overall presentation:

- Clarity, conciseness, readability, free of errors/ typo's etc

1* 2* 3 4 5

Comments:

Presenter's ability to verbalize information from slides to the audience:

- Presenter's ability to speak to information without relying on slide content
- Ability to present information understandable to audience

1* 2* 3 4 5

Comments:

Presenter's ability to answer questions:

- Presenter's ability to answer the question presented based on their knowledge of the subject

1* 2* 3 4 5

Comments:

Please provide any additional feedback or comments that may help the presenter with future formal presentations:
